René Guénon - The Crisis of the Modern World

In The Crisis of the Modern World, published for the first time in 1927, he writes a relentless and radical criticism of the modern world, revealing its shallowness and its spiritual destitution when confronted with the traditional civilization. 70 years later, his words are still amazingly present and fully valid, but there is something that has definitely changed: the traditional East that Guenon sets against the modern West has disappeared in a great measure as Asia has taken, by its own ...
