communities or industry members - and considers a number of approaches and techniques for managing tourism impacts successfully.

Tourism Impacts, Planning and Management - Peter Mason ...

Tourism impacts fall into three main categories. Environmental impacts affect the carrying capacity of the area, vegetation, air quality, bodies of water, the water table, wildlife, and natural phenomena. Sociocultural impacts are associated with interactions between people with differing cultural backgrounds, attitudes and behaviors, and relationships to material goods. The introduction of tourists to sensitive areas can be detrimental, cause a loss of culture, or, alternatively, contribute to
